EXTREME AFFORDABILITY: WEST AFRICA

Impacting Health through Collaboration and Innovation

Please join University of Utah Health, Kwame Nkrumah University of Science and Technology, Ensign College of Public Health, and IntraHealth Int'l for the fifth annual Extreme Affordability Conference. Together we will explore ways to harness the power of innovation and collaboration to increase equitable access to quality health care around the world.

JULY 8-10, 2018
5th Extreme Affordability Conference
Ensign College of Public Health, Kpong, Ghana
