  - *Primary or secondary research* that has led to knowledge creation or discovery related to one of more of the Conference themes

- **Solutions**
  - *Bench to Bedside* solutions include the development or application of technology or devices that address one or more of the conference themes
  - *Concept to Community* solutions include social, entrepreneurial or programmatic innovations that address one or more of the conference themes
Inspiration

- Visual art submissions (e.g., ceramics, drawing, painting, sculpture, printmaking, design, crafts, photography, video, filmmaking, and architecture) related to one of more of the Conference themes

Submission Instructions

- All submissions must include a description no greater than 250 words in MS Word or PDF format
- Visual arts submissions must also include a digital image of the work in PDF or jpeg format.
- Figures, tables and graphs are not necessary for submissions
- Submissions must include the authors’ names, title of submission and primary author’s email contact information
- All submissions will be considered for an oral podium presentation
- Oral podium presentations are held during concurrent conference sessions and are 15 minutes in length including 5 minutes for dialogue with the audience
- Submissions not selected for an oral podium presentation will be considered for poster or table/visual arts display
- Email submissions to: exaff@utah.edu
- Submissions received prior to Friday, June 8, 2018, 11:59 PM MST will be considered
- Submission of your work indicates that the author/creator or co-author/co-creator will register for the conference and be present to show the work

Notification of Acceptance

- Conference organizers will notify authors/creators by email if the submission is accepted or declined by Friday, June 15, 2018
- If you have not received notification by June 15, 2018, please contact: exaff@utah.edu

Poster Display Guidelines

Submissions selected for display in poster format will be shown during one of two concurrent sessions on either July 9 or 10, 2018 and should meet the following guidelines:

- Posters should measure no more than 1 meter wide by 0.75 meters in height
- Posters should include the title of the poster and list the authors
- Posters should include legible font readable from a distance of at least 3 meters
- Try to minimize text on the poster while retaining the key aspects of the background, methods, result and conclusions
- Figures, tables, graphs and images should be utilized to maximize impact of the poster
- Color posters preferred

**Solutions (B2B/C2C) Table Display Guidelines**

Some innovations are societal and/or process focused and cannot be physically prototyped, therefore we welcome presentation of both technological and social innovation in a format that is best adapted to your solution.

- Please contact conference organizers at exaff@utah.edu regarding display needs.
- Participants with table exhibits are responsible for transportation, set-up, display and removal of their work.

**Visual Art Display Guidelines**

Each submission with accompanying image or video of a visual art submission selected for display will be shown during one of two concurrent sessions on either July 9 or 10, 2018.

- Visual artists are responsible for transportation, set-up, display and removal of their work
- For large works of art, please contact the conference organizers at exaff@utah.edu to discuss accommodation
