

Huntsman Cancer Institute at the University of Utah Application for Cancer Center Membership

Name: (Last) (First) (MI)		Home Department:	
Degree:	Academic Rank:		Campus Mailing Address:
Telephone:	University ID#:	U of U Faculty Start Date	Office Location:
Email:		NIH eRA Commons ID:	Administrative Assistant's Name and Contact Info (if applicable):
Briefly explain your interest in becoming a CCSG member. How will you benefit from being a member?			
Briefly explain how your scientific /clinical research relates to cancer.			
State your research interests in one or two (maximum) sentences.			
Describe how you collaborate with other faculty and/or Cancer Center members.			

	Yes	No
<i>Do you commit to participate regularly in Cancer Center Scientific/Clinical Meetings?</i>	<input type="checkbox"/>	<input type="checkbox"/>
<i>Do you have any recent cancer-relevant publications (within the last five years)?</i>	<input type="checkbox"/>	<input type="checkbox"/>
<i>Do you have current cancer-relevant grants?</i>	<input type="checkbox"/>	<input type="checkbox"/>
<i>Do you have current peer-reviewed grants (NIH, HHMI, Army, NSF, ACS, etc.)?</i>	<input type="checkbox"/>	<input type="checkbox"/>
<i>Do you have any active Investigator-Initiated Trials (IIT)? IRB Protocol Number(s): _____</i>	<input type="checkbox"/>	<input type="checkbox"/>
<i>Which of the following Shared Resources do you currently use or plan to use in the future?</i>		
<input type="checkbox"/> Biorepository and Molecular Pathology	<input type="checkbox"/>	<input type="checkbox"/> High-Throughput Genomics and Bioinformatic Analysis
<input type="checkbox"/> Cancer Biostatistics	<input type="checkbox"/>	<input type="checkbox"/> Mass Spectrometry and Proteomics
<input type="checkbox"/> CZAR Zebrafish Core	<input type="checkbox"/>	<input type="checkbox"/> Nuclear Magnetic Resonance
<input type="checkbox"/> DNA/Peptide	<input type="checkbox"/>	<input type="checkbox"/> Preclinical Research Resource (small animal imaging)
<input type="checkbox"/> DNA Sequencing	<input type="checkbox"/>	<input type="checkbox"/> Quantitative Cancer Imaging
<input type="checkbox"/> Drug Discovery Core	<input type="checkbox"/>	<input type="checkbox"/> Research Informatics
<input type="checkbox"/> Electron Microscopy	<input type="checkbox"/>	<input type="checkbox"/> Transgenic/Gene Targeting Mouse Facility
<input type="checkbox"/> Flow Cytometry	<input type="checkbox"/>	<input type="checkbox"/> Utah Population Database
<input type="checkbox"/> Genetic Counseling		

Choose one program* which most closely aligns with your research and interests:

<input type="checkbox"/> Cancer Control and Population Sciences Program Leaders: Kathleen Mooney, PhD, RN Sean V. Tavtigian, PhD	<input type="checkbox"/> Experimental Therapeutics Program Leader: Neeraj Agarwal, MD Martin McMahon, PhD	<input type="checkbox"/> Affiliated Non-Program Aligned Interested in contributing to the Cancer Center's mission but do not have cancer research as a primary focus; or key service providers whose research interests are not aligned with a specific program
<input type="checkbox"/> Cell Response and Regulation Program Leaders: Sheri Holmen, PhD Alana Welm, PhD	<input type="checkbox"/> Nuclear Control of Cell Growth and Differentiation Program Leaders: Brad Cairns, PhD Jared Rutter, PhD	

*We encourage applicants to consult with a Program Leader before submitting a Cancer Center Membership Application

As part of Cancer Center Membership, I hereby grant HCI Research Administration access to 5000 fund extramural funding information for the purpose of completing funding reports required by NCI. This access is limited to funding information provided by management reports.

Applicant Signature: _____ Date: _____

Please attach a current copy of your Curriculum Vitae, NIH Biosketch, and NIH Other Support and return to:
 HCI Administration • Avery LeBaron • HCI 4162 • avery.lebaron@hci.utah.edu • 801-587-4423
