

360CONNECT

MAKING CONNECTIONS ACROSS THE RESEARCH SPECTRUM—
FROM CELLS TO CLINICS TO COMMUNITIES—TO TRANSFORM HEALTH

PEOPLE AND STORIES THAT DRIVE OUR RESEARCH

Each year, Vitae celebrates the people and stories that drive our research at U of U Health. Learn about six rising-star faculty as they tell tales of their science, the motivation behind their life's work and how they got to where they are today.

HARNESSING CREATIVITY TO OVERCOME CHALLENGE

Barbara Jones, MD, investigates times when physicians deviate from the norm and in so doing improves medical care in the face of challenging scenarios. Not a stranger to challenge herself, Jones, a former Olympian, explains how sports competition shaped her attitudes and approaches toward her work.
